

CENTRAL MISSOURI
POLLED HEREFORD
BREEDERS ASSOCIATION

111th
Spring Sale
March 10, 2018

SOUTH CENTRAL
REGIONAL STOCKYARDS
VIENNA, MISSOURI

GENERAL INFORMATION

LOCATION: The sale will be held at the South Central Regional Stockyards located in Vienna, MO on Highway 42. Physical Address: 221 Highway 42 West, Vienna, MO

TERMS: The terms of the sale are cash unless other arrangements are made in advance with the owner. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bidding ends, but the management will attend to loading on trucks in compliance with instructions from the purchasers.

GUARANTEE: All cattle will sell under the suggested sale terms and conditions of the American Hereford Association.

HEALTH: Individual health papers will be furnished with each lot sold. All numbers are Calfhood Vaccinated. All bulls are semen tested. All bulls will be weighed and measured from 1:00 PM to 2:00 PM on the Friday before the sale.

BIDS: The Auctioneer-In-Charge will have final say in regard to all final bids.

MAIL or WIRE BIDS: We hope each and everyone interested can attend the sale in person, but those who cannot may mail or wire bids to the Auctioneer or any of the Representatives.

AI CERTIFICATES: Any female that is bred to an AI sire not owned by the seller will NOT have an AI certificate furnished.

SALE ORDER: The sale order will be as follows: Cow/Calf Pairs, Open Heifers, Bulls, Bred Heifers, Bred Cows, followed by Commercial Females.

CATALOG ERRORS: Statements from the auction block take precedence over printed material. The most current EPDs from AHA issued registrations were used when available. EPDs are subject to change twice a year based on data submitted to the AHA. The most current EPDs are available from the AHA's website at www.hereford.org.

**Can't make the sale?
Watch it LIVE & bid in real-time on DVAuction.**

Please register 24 hours in advance by simplying
completing the following steps:

1. Visit the DVAuction web site at www.dvauction.com
2. Click on the "Register" tab
3. Enter a user name, password and your contact information.
4. Click on "Apply for bidding"

Spring 2017 EPD's

Breed Average EPD's for 2016 Born Calves

BW	WW	YW	MM	MG
3.1	50	81	23	48

Dear Friends,

Welcome to the 111th Central Missouri Polled Hereford Breeders Association sale. The consignors have brought you their best. The progeny of the very best sires in the industry like Revolution, Logic, Online, Enhancer 2D, Mr Felt 3008, 262D, Embracer, Positive Plus, 103T, and Feltons 517 and are offered in this sale.

It is a great time to be in the beef cattle business. The demand for beef is growing. Feed cost are on there way down. And green grass is just a few weeks away. When the grass turns green good quality cows will be extremely hard to find. There are several groups of young heifers in this sale that are half sisters that will put consistency in your herd while remaining productive for many years to come. The fertility, longevity, disposition and efficiency of the Hereford breed is unsurpassed. A study in England proved that for the same amount of feed you could feed 106 Hereford cows or 100 of the same size Angus based cows.

The combined feed efficiency and heterosis of the hereford bull has caused the demand to exceed the supply. There several high quality service age bulls as well as young prospects in this sale. If you are looking for a bull don't miss this opportunity as a Hereford bull will be hard to find come breeding season. On March 10, 2018 CMPHBA will offer some of the best Herefords in the breed. Don't miss this opportunity to improve your cattle herd and decrease the amount of hay and feed needed to reach your production goals.

At 12:00 noon we will sell 71 lots of some of the best cattle in the industry. Please call if you need further information, or go to www.missourihereford.com for updated information and to view the catalog pictures in color.

HISTORY OF THE CENTRAL MISSOURI POLLED HEREFORD BREEDER'S ASSOCIATION

The Central Missouri Polled Hereford Breeder's Association was organized in Linn, Missouri in June 1952 as an effort to promote the Polled Hereford breed. Early members sought to exchange ideas at association meetings and cooperate to present their cattle at annual shows & sales.

Over the past sixty years, more than one hundred sales of quality hereford cattle have been hosted by the association. Under the early leadership of Mr. Richard Seifert, as president, and Mr. Lawrence Renn as secretary & treasurer, the association grew beyond the limits of Linn, Missouri, and became a collaboration of breeders throughout Central Missouri.

In the Fall of 2012, Valley View Farms was recognized as the only breeder who has sold in every sale since the founding of the association. That tradition continues through his sons and grandsons who are still active members to this day.

Today, the association owes its longevity to the tradition of selling high quality Polled Hereford cattle to breeders across the country. Cattle purchased at their sales have gone on to win championships at the Denver National shows.
